

JAIN EDUCATION TRUST

JAIN EDUCATION TRUST

JAIN EDUCATION TRUST

The history of Jain Education Trust marks its beginning on 5th September, 2012

With an objective *to provide quality education and help student fraternity achieve academic excellence and brilliance in all walks of life.*

The trust seeks to address the grave need of the hour for the students to an all round and holistic development and enable them to excel in fine arts, literary, social activities, sports including indoor and outdoor games and to EduCare them in all possible manner for furtherance of their basic human values. Till date, thousands of alumni have been benefited by the trust.

The trust owes a lot to the society and thus aims at making the youth physically fit, intellectually sharp, morally uplifted, socially contributory, academically

Chairman's Message

Dr. Bhartesh Shah

- ❖ Jain Education Trust has a man of principles who stands for quality, simplicity and dignity, a personified visionary as its cornerstone. **Dr. Bhartesh Shah**, a courteous and unpretentious gentleman, has been a founder member and trustee of JET, Jamnagar. A learned academician, his credentials give only a glimpse of his multi dimensional & multi faceted personality. He was a university topper for M.com, and earned an MBA along with DCS, DTLP & Ph.D.
- ❖ His innovativeness & creativity makes him an excellent guide & a motivator. His proactive and positive attitude towards life makes him a good administrator and an excellent human being. His dedication to Health & Fitness inspires youngsters to be like him.
- ❖ He has been a regular contributor to the academic literature and has authored and published many books. His varied experience of over 3 decades in the field of education and zeal to learn and mentor students and being associated with around 20 Educational Institutions is an exceptional attribute possessed by him.
- ❖ Dr. Bhartesh Shah believes in Life-long learning and is source of inspiration for the young generation, who has learned and chiseled himself as a precious icon.
- ❖ He believes that education is a collaborative effort that involves professional administrators/management, committed teachers, responsive Parents and motivated students where Students must be the center of all efforts. We strive to bring together all these four stakeholders in a manner that we can ensure delivering our best to our children.

Vision & Mission

**Gifting Cognitive
Citizens to the
Nation**

**Ensuring that
Learning is a
Celebration**

PRINCIPAL

Ms. Shivani Acharya

The present day child deals with a highly dynamic and competitive world and he/she has immense potential and caliber to make the most of the millions of opportunities that lie in front of him/her every single day along with overcoming the challenges that lie on the path ahead. Hence, we strongly believe that our role as school/educators is not that of teachers but facilitators and catalysts for their learning needs and skill development.

PRINCIPAL

Ms. Madhavi Joshi

Early education for children acts as a transition from home to the school environment. Children who have a good learning start, are likely to be more smarter and successful.

We believe in engaging young learners to think both critically and creatively, as well as developing as a whole person. We create the learning space for children where they can enhance their motor skills, better cognitive skills, deeper understanding, improve social interactions, and develop love for learning.

PARENTAL INVOLVEMENT

**It is essential in Early Education to work
together in order to support and nurture
child's learning**

HOW JSE ENSURES QUALITY EDUCATION

Student – Teacher Ratio

Fewer students let the teachers have more manageable workloads and more time to work one-on-one with students; they can engage them more, try out different activities and lessons that might not be feasible in a larger class size.

Home Schooling

Home schooling helps in teaching the kids in a better and an effective manner by developing a one-to-one relationship with them, and also helps in initiate discussion between parents and kids where the parents can also learn from children.

Regular Home Visits

Home visits could increase student performance, parental involvement, reduce disciplinary problems and increase overall positive attitudes.

PTM – School Initiated & Parents Initiated

The union of the teacher's feedback and parent's concern can immensely help a child's educational journey.

HOW JSE ENSURES QUALITY EDUCATION

| | |
|-------------------------------|--|
| MLV – Making Learning Visible | MLV (Making Learning Visible) is one of the most important practices of JumpStart EduCare. It gives us immense pride when we see our children sharing their learning confidently with their parents. |
| Orientation Programme | Orientation Programme is organized for parents in the year beginning to brief them about the curriculum for the year, school policies, events etc. |
| Sharing Every day's Agenda | In order to explain the parents whatever the child has learnt, same thing is shared through Agenda so that parents know what their child is learning in the classroom. |
| ERP App | Considering Parents as Partners we keep in touch with them through our School Application which keeps them up to date with the information available in the same. |

WHAT JSE DOES AS A PART OF COMMUNITY SERVICE?

**Mother Toddler program, Counselling of
the Parents, Spreading awareness
regarding Early Childhood Education.**
